## D. INTRODUCTION FROM THE SEA/APPENDIX-I IMPORT (CITES)

Note: Please be aware that if you are collecting in the open ocean (i.e. in the marine environment outside of any country's territorial jurisdiction), you will need to obtain an "introduction from the sea" permit from the first country whose territorial waters you enter. This application is for the import of marine specimens collected from the open ocean for import into the U.S. If your activities **also** involve the import of specimens collected from territorial waters of other countries, you may use this application. However, if your activities are restricted to the import of Appendix-I specimens collected from other countries (including their territorial waters), please contact DMA for the appropriate application.

Please provide the following information. On all attachments or separate sheets you are submitting, please indicate the application question number you are addressing. Also, if you are applying to introduce from the sea/import multiple specimens, be sure to indicate which specimen you are addressing in each response.

1. Do you need a permit for a single shipment or multiple shipments?

Single Shipment = \$100 processing fee	Multiple shipments = \$200 processing fee
Provide Name and address of recipient:	A. This application allows you set up a Master File, valid for three years and is renewable, for introduction from the sea/imports of these specimens under CITES. Once the Master File is approved you would need to obtain single-use permits, valid for 1 year, for each import (50 CFR 13.11, see attached).
	B. How many single-use permits would you like to have issued upon completion of this Master File review? _____. (Provide \$5 for each 6-month permit) Additional permits may be requested via letter.

2. Provide the following for EACH animal:
- Scientific name (genus, species, and if applicable, subspecies) and common name;
  - Approximate age (e.g., juvenile, adult)
  - Sex, if known; and
  - Description (live animal(s) or if biological samples, both the type, number, and size of samples and containers).
3. Provide information on the source of the specimen(s):
- Specific location of where (e.g. ocean basin, geographical coordinates, specific stock/population), when, how, and by whom (name, address, and expertise) the specimen will be removed from the wild; and
  - The purpose of the removal.
4. What is the purpose of the introduction from the sea/import:
- 
5. For transporting living wildlife, the transport conditions must comply with the CITES Guidelines for Transport of Live Animals. If applicable, you must also meet USDA standards for Humane and Healthful Transport. As such, provide:
- A description of the type, size, and construction of any shipping container;
  - The arrangements for caring for the wildlife during transport, and
  - For marine mammals, documentation showing compliance with USDA regulations for transport and care (7 U.S.C. 2131-2159; 9 CFR 3, Part E).
6. Provide copies of your domestic and/or foreign collecting permit, license, contract, or agreement.
7. Provide the following details of the introduction from the sea/import activities:
- If you currently possess a permit or other authorization issued by the U.S. Fish and Wildlife Service or the National Marine Fisheries Service under the Endangered Species Act, Marine Mammal Protection Act, or the Migratory Bird Treaty Act to conduct relevant activities, please provide a copy.
  - Fully describe the purpose of your proposed activity. If your purpose is for scientific research, attach a copy of your research proposal which outlines the purpose, objectives, methods (i.e., include specific information on

8. If the live wildlife to be covered by the permit is to be held in captivity:
- a. Provide a detailed description (including size, construction materials, protection from the elements, etc.) and photographs or diagrams (no blueprints) clearly depicting your existing facilities where the wildlife will be maintained; and
  - b. Provide a statement of the specific technical experience available to the applicant for maintaining and propagating live specimens, including such experience for the same or similar species:
    - i. the number of years each species has been maintained;
    - ii. a list of the number of successful births or spawning activities by year for each species; and
    - iii. mortalities resulting from your activities with these or similar species in the last 5 years, causes of such mortalities and steps taken to avoid or decrease such mortalities.
9. For import of CITES Appendix-I species provide information to show the import is not for primarily commercial purposes as outlined in Resolution Conf. 5.10 (copy enclosed).
10. Enter the U.S. port through which the activity will occur. Port: \_\_\_\_\_. If no port is indicated, you must use a port designated for the activity of wildlife (see enclosed list).
11. Address where you wish permit mailed (if different than page 1):  
\_\_\_\_\_.
12. If you wish the permit to be mailed other than by regular mail, provide air bill, pre-paid envelope, or billing information  
\_\_\_\_\_.
13. Who should we contact if we have questions about the application? (Include name, phone number, and email):  
\_\_\_\_\_.

## PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplification, all licenses, permits, registrations, and certificates will be referred to as a permit.

- Complete all appropriate blocks/lines/questions in Sections A OR B, and C and D. **Print clearly or type in the information.** An incomplete application may cause delays in processing or may be returned to the applicant. Note: if a field is "grayed in", no answer is required.
- Sign the application in blue ink and send the original to the address at the top of the application. Faxes or copies of the original signature will not be accepted.
- Please plan ahead. Allow at least 60 days for your application to be processed (50 CFR 13.11). However, some applications may take longer than 90 days to process. Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

Most of the application form is self-explanatory, but the following provides some assistance for completing the form.

### COMPLETE EITHER SECTION A OR SECTION B:

- Section A. **"Complete if applying as an individual"** - Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. **If you are applying on behalf of a client, the personal information must pertain to the client; and a document evidencing power of attorney must be included with the application.**
- Section B. **"Complete if applying as a business, corporation, public agency, or institution"** - Enter the complete name and address of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge (i.e., principal officer), and if the company is incorporated, the State in which it is incorporated.

### ALL APPLICANTS COMPLETE SECTION C:

- Section C.1 **"Do you currently have or have you had any Federal Fish and Wildlife permits?"** List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for a renewal of a CITES permit, the original permit must be returned with this application.
- Section C.2 **"Have you obtained all required State, Federal or foreign government approval to conduct the activity you propose?"** (Please be aware that there may be other requirements necessary to conduct this activity such as a hunting license, import permit, or collection permit.) If "yes," list the state, Federal or foreign countries involved and type of document required. Include a copy of these documents with the application. If you have applied for the documents, check the "have applied" box and list the state, Federal or foreign countries involved and type of documents required. If the proposed activity is not regulated check "not required."
- Section C.3 **"Check or money order (if applicable)"** There is an application processing fee unless you are applying as a Federal, State or tribal government agency or you are an individual or institution under contract to such agency for the proposed activities. (See 50 CFR 13.11(d)(3) for fee schedule.) Proof of status as a Federal, State or tribal government agency or contractor to such agency should accompany your application. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit. It will not be refunded regardless of whether a permit is issued, abandoned, or denied. See the accompanying section APPLICATION PROCESSING FEE for the fee to process this application. Make your check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form.
- Section C.4 **"CERTIFICATION"** The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

### ALL APPLICANTS COMPLETE SECTION D:

Provide any required additional information outlined in Section D. of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. Please do not send videotapes or DVDs.

## APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT

### Paperwork Reduction Act and the Privacy Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on fish and wildlife is authorized by:
  - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), [Title 50 Part 22 of the Code of Federal Regulations \(CFR\)](#);
  - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), [Title 50 CFR Part 17](#);

  - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), [Title 50 CFR Part 18](#);
  - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), [Title 50 CFR Part 15](#);
  - f. Lacey Act (18 U.S.C. 42); Injurious Wildlife, [Title 50 CFR Part 16](#);
  - g. [Convention on International Trade in Endangered Species of Wild Fauna and Flora \(TIAS 8249\)](#); [Title 50 CFR Part 23](#).
  - h. General Provisions, [Title 50 CFR Part 10](#);
  - i. General Permit Procedures, [Title 50 CFR Part 13](#); and
  - j. Wildlife (Import/export/transport), [Title 50 CFR Part 14](#).
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Routine use disclosures outside the Department of the Interior may be made without the consent of an individual if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003) Disclosures outside the DOI may be made under the routine uses listed below without the consent of the individual if the disclosure is compatible with the purposes for which the record was collected.
  - a. To subject matter experts, and State, Federal, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
  - b. To the public as a result of publishing Federal Register notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
  - c. To Federal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
  - d. To Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
  - e. To Federal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a sick, injured, or orphaned bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
  - f. To the Department of Justice (DOJ), or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances;
  - g. To the appropriate Federal, State, tribal, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
  - h. To a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
  - i. To the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
  - j. To provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor, or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for this information collection varies depending on the activity for which a permit is requested. The relevant burden for this permit application is **120** minutes. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

### Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

### Application Processing Fee

The fee to process this application is \$200 for a master file: multiple shipments, and \$5 for each permit OR \$100 for a single permit.. Checks should be made payable to "U.S. Fish and Wildlife Service." Fees for renewals and amendments may vary: see schedule at 50 CFR 13.11(d)(4)]. The processing fee will not be refunded regardless of whether a permit is issued, abandoned, or denied. The fee schedule does not apply to
